The submitted products have been tested by us with the listed standards and found in compliance with the following European Directives and standards:

The General Product Safety Directive (GPSD) Directive 2001/95/EC

EN IEC 62368-1:2020+A11:2020

The tests were performed in normal operation mode. The test results apply only to the particular sample tested and to the specific tests carried out. This verification applies specifically to the sample investigated in our test reference number only.

Other relevant Directives have to be observed.
